

# IVECO

Drive the road of change

## Hi Daily, what's new?

DAILY

# New Daily. Get smarter.

The Daily strides ahead once again in its evolution, introducing new adaptive and intelligent solutions to become your true companion in business success.

The new Daily AIR-PRO family breaks new ground with an industry first, the innovative pneumatic suspension with smart electronic controls, which is easily controlled with a joystick in the cab, enhances your driving comfort, protects you and your load, and adapts to your work.

The Daily enables you to interact vocally with your vehicle, so you can enjoy a safe, stress-free and comfortable driving experience while your business benefits from its greater efficiency.

The Daily continues to make advances in connectivity with a constantly expanding array of highly personalised services precisely tailored to your use of the vehicle and your requirements.

The Daily has been a favourite work companion for more than 40 years, always providing a first-class work environment. True to its heritage, it leverages technology to constantly adapt to you and the conditions of your job, raising your living and driving experience to the highest levels in the industry.

# Hi Daily, what's new?

#### **1 SUPREME COMFORT SEATS**

- Memory foam seat, backrest and headrest
- Increased comfort and reduced fatigue
- New seats style and textile
- Redesigned side carter and lever for easier exit
- Bigger and more contentitive seats

#### **2 AIR-PRO SUSPENSION**

- Easy control with intuitive switch and TFT graphics
- Continuous self-adapting balance strategy
- Roll angle reduction in bends for more safety
- Less vibration for comfort and stability
- < 10 Sec for lifting: fast load & unload operations

#### **3 IVECO DRIVER PAL THROUGH AMAZON ALEXA**

- The vocal driver companion
- Smart microphone enabling Amazon Alexa features
- Exclusive MYIVECO Skill for vehicle status check, assistance & navigation
- MYCOMMUNITY Skill enabling multilanguage communication among drivers

#### **4 NEW MANUAL GEARBOX**

- Best-in-class for precision; free-play reduced by 50%
- No gearbox oil change
- Increased clutch durability (2.3-litre)
- Reduced shifting effort (on 3.0-litre models)

#### **5 OPTIMIZED ENGINES**

- 2.3- and 3.0-litre engine with up to 207 hp
- Up to 15% torque increase
- Up to 6% fuel savings (WLTP, 2.3-litre)
- NOx reduced in Real Drive Conditions
- Beyond Euro 6 regulation requirements

# Driving experience and profitability.

## **NEW MANUAL GEARBOX**

Free play reduced by 50%;  
best-in-class shiftability and precision

No gearbox oil change for 350,000 km

18% increase in clutch durability (on 2.3-litre engine)

Up to 20% reduction in gear shifting effort  
(on 3.0-litre engine)

## **OPTIMIZED ENGINE LINE-UP**

Up to 6% fuel saving on 2.3-litre engine (WLTP cycle)

Up to 15% torque increase for more  
demanding applications

Conformity Factor 1. Beyond Euro 6 regulation requirements

# Engineered to perform.

Whatever your mission, with the Daily you get the job done efficiently. You have a choice of two highly fuel-efficient engines optimised for top performance in every assignment: the 2.3-litre engine with power ranging from 116 to 156 hp, and the 3.0-litre engine, offered in 3 different power ratings from 160 to 207 hp and torque up to 470 Nm. The 3.0-litre engine is also available in Compressed Natural Gas version.

	2.3-LITRE FIA ENGINE				3.0-LITRE FIC ENGINE		
	Euro 6-D Final Light Duty Euro VI-E Heavy Duty				Euro VI-E Heavy Duty		Euro VI-E Heavy Duty CNG*
Commercial name	I20	I40	I60	I60	I80	210	CNG

Gearbox	MANUAL	HI-MATIC / MANUAL		HI-MATIC / MANUAL	HI-MATIC / MANUAL	HI-MATIC	HI-MATIC / MANUAL

\*Compressed Natural Gas

e-VGT: Electronic Variable Geometry Turbocharger; VGT: Variable Geometry Turbocharger; WG: WasteGate

**2.3-litre FIA**  
Diesel engine with SCR

**3.0-litre FIC**  
Diesel engine with SCR

**3.0-litre FIC**  
Compressed Natural Gas engine

The entirely redesigned after-treatment system with double SCR technology maintains the extensive body-fitting possibilities of previous models. It ensures Euro VI-E and Euro 6-D Final compliance with a Conformity Factor of 1 – which means compliance for life in real conditions – ahead of future regulations.

## Up to 6% fuel savings

The Daily's engines stand out for their fuel economy: the 2.3-litre engine achieves savings up to 6% (WLTP cycle) through a 25% pressure increase (2000 bar) in the common rail system to improve combustion efficiency, and new steel pistons with improved thermo-mechanic resistance.

## Precision shifting.

The new manual gearbox offers an excellent driving experience with best-in-class shiftability and precision. Free play has been reduced by 50% compared to previous models. It requires no oil change for 350,000 km, further lowering the Daily's TCO. In addition, the clutch durability has been extended by 18% when coupled with the 2.3-litre engine.

The new FT 50.6 Manual Gearbox

### State-of-the-art shifting comfort

New transmission shifter  
Optimized synchronization system

### Best-in-class for Precision

Specific feature in new transmission shifter system

### Improved efficiency

New bearings and sealings and enhanced lubrication system

### No oil change for 350,000 km

New fully synthetic oil

### Excellent torque-weight ratio (8.8 Nm/kg)

Minimized weight and increased input torque

### Torque increase (+15%)

Vehicles with 2.3-litre engine up to 400 Nm  
+19% of max. breakaway torque up to 380 Nm

## HI-MATIC

### Absolute driving Pleasure

The Daily's exclusive HI-MATIC 8-speed automatic transmission is available across the range, delivering all the benefits of comfort, safety, fuel economy and performance.

You can also enjoy all these advantages, together with the sustainability and low TCO of IVECO's CNG technology.

# Dynamic intelligence and safety.

## **THE NEW AIR-PRO PNEUMATIC SUSPENSION**

Easy operation with dedicated switch in the cabin

Easy control with the graphics on the cluster

Lifting or lowering in less than 10" facilitating loading & unloading

Always the optimal dynamic balance adapted every 10 milliseconds

Vibrations reduced by up to 25% on road disturbances

Roll angle reduced by up to 30% when fully loaded

## **ASSISTED DRIVING AND SAFETY**

AEBS and City Brake PRO

Queue Assist

Adaptive Cruise Control

Proactive Lane Keeping Assist

Crosswind Assist

Hill Descent & Traction Plus

NEW DAILY  
AIR X PRO

# The intelligent suspension.

The Daily's revolutionary AIR-PRO suspension continuously adapts to driving conditions and reacts almost instantly to road disturbances, providing a uniquely safe and smooth ride for you and your load. A dedicated switch on the dashboard and new TFT graphics make it easy to manage the entire system at the touch of a finger.

## You are in control.

### Dynamic control

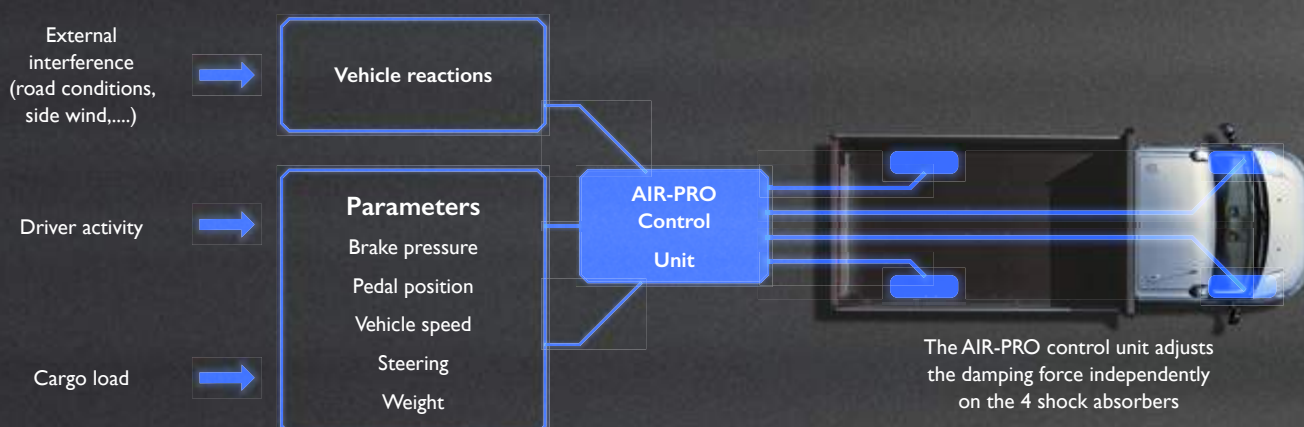

You choose how you want the suspension: a softer setting for a comfortable ride, or maximum roll control for top performance with a full load. You easily manage the intelligent system with the ergonomic rotary switch.

### Static control

The new Daily AIR-PRO lowers and rises at the touch of a finger in less than 10 seconds, quickly adjusting the height for loading and unloading, so you don't waste any time.

## Adaptive AIR-PRO strategy.

The unique AIR-PRO Continuous Damping Control (CDC) unit reacts almost instantly to road disturbances, calculating every 10 milliseconds the ideal pressure on each shock absorber to deliver the best dynamic reaction.

# A safe, stress-free driving experience.

The Daily's Advanced Driver Assistance Systems help you in tricky situations and take the stress away when driving in heavy traffic. You enjoy the benefits of much reduced daily fatigue and greater safety.

- 1 TRACTION PLUS**  
Keep a firm grip on slippery roads
- 2 AEBS AND CITY BRAKE PRO**  
Avoid collisions in urban traffic
- 3 PROACTIVE LANE KEEPING ASSIST**  
Always stay in your lane
- 4 CROSSWIND ASSIST**  
Remain stable in crosswinds
- 5 ADAPTIVE CRUISE CONTROL**  
Cruise Safely on the road
- 6 HILL DESCENT CONTROL**  
Drive safely down steep slopes
- 7 QUEUE ASSIST**  
Enjoy stress-free heavy traffic

# Supreme comfort seating.

## NEW SEATS

The first LCV with seat cushion, back rest and head rest in memory foam

30% reduction in pressure peaks results in greater comfort and lower risk of back pain

+15 mm more contentive foam on lateral elements improves safety and driving experience

20 mm longer and 15 mm thicker front cushion provides better leg support

Complete redesign of the seat carter and levers, optimized for easy entry and exit.

# Designed around you.

The new HI-ADAPTIVE seats are designed to adapt to the driver and passenger, providing the ultimate luxurious comfort on the longest working days.

The Daily is the first Light Commercial Vehicle featuring both seat and back rest in memory foam, which spreads your weight evenly and reduces pressure peaks by up to 30%.

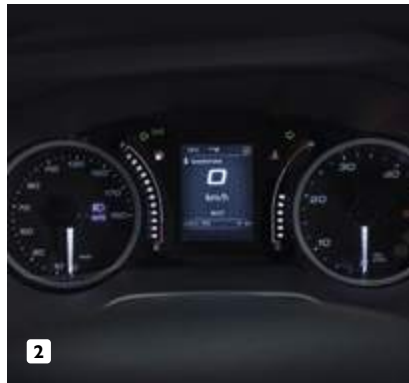

The head rest, also in memory foam, absorbs more energy in case of collision, reducing the whiplash effect.

First designed for NASA airplane seats, memory foam is highly energy absorbent and soft; it moulds to the body, distributing body weight evenly and protecting against impact.

- 1** The central pads of the cushion and back rest, and the head rest – all in memory foam – mould to your shape, providing supreme comfort and protecting you from back pain
- 2** The foam of the side sections has been optimized in density and lengthened by up to 15 mm to improve containment
- 3** The front cushion, 20 mm longer and 15 mm thicker, provides better support for the legs of taller people
- 4** The side carter and lever have been redesigned to make it easier for you to get in and out of the vehicle

#### **1 SUPREME SEATING COMFORT**

Memory foam in the seat and back rest and even the headrest ensure maximum comfort

#### **2 EASY, CLEAR INTERACTION**

The high-resolution colour display cluster provides a user-friendly, intuitive interface that makes it extremely easy to interact with your Daily and access all the key settings of your vehicle in real time

#### **3 PARKING COMFORT AND EFFICIENCY**

The Electric Parking Brake automatically engages when parked and disengages when you are ready to drive away. A real time saver in urban multi-stop missions

#### **4 SUPERIOR DRIVING COMFORT AND ERGONOMICS**

The Daily's steering system can be adjusted both in axial and angular position to set up the perfect driving position for better comfort and ergonomics

#### **5 SMOOTH, EFFORTLESSLY MANOEUVRABLE**

The Electric Power Steering is very precise and reactive to the driver's inputs. The unique City Mode feature further reduces the effort required to steer by as much as 70%

#### **6 PRACTICAL WORKSTATION**

The extractable table in the central passenger seat provides a practical support for doing paperwork

# Connected collaboration and services.

## **IVECO DRIVER PAL THROUGH AMAZON ALEXA\***

Dedicated IVECO SKILLS to interact with your vehicle  
and your driver community

### **MYIVECO SKILL:**

- Get real-time information about the status of the vehicle
- Request assistance in case of need
- Set navigation system and get information during the journey
- Get driving style tips to save fuel and travel safely

### **MYCOMMUNITY SKILL:**

- Communicate with other drivers safely
- Get support and insights from the driver community
- Overcome the language barrier with automatic translation

## **A WORLD OF CONNECTED SERVICES**

- Maximise your Daily's uptime with IVECO Control Room monitoring
- Get remote diagnostics and perform over-the-air software updates with no downtime
- Monitor driving style of your drivers and vehicles performance to reduce total cost of ownership
- Take advantage of fleet management solutions

\* IVECO DRIVER PAL is available in the languages supported by Amazon Alexa

# Meet IVECO DRIVER PAL

your vocal  
companion.

IVECO ON

IVECO  
DRIVER  
PAL

just ask | alexa

IVECO DRIVER PAL takes the driver's life on board to the next level, turning their vehicle into the perfect travel companion.

With IVECO DRIVER PAL, the driver can bring their digital life on board, interact vocally with their vehicle and the driving community and access IVECO's connected services through Amazon Alexa voice commands. They can enjoy a better driving experience, keeping their hands on the steering wheel and their eyes on the road!\*

#### VEHICLE HEALTH CHECK

"Alexa, ask MYIVECO the fuel level!"  
"Alexa, ask MYIVECO the status!"

#### SETTING NAVIGATION

"Alexa, ask MYIVECO to find  
the nearest fuel station!"

#### ASSISTANCE ENGAGEMENT

"Alexa, ask MYIVECO to find  
a workshop!"  
"Alexa, ask MYIVECO to book  
a workshop appointment!"

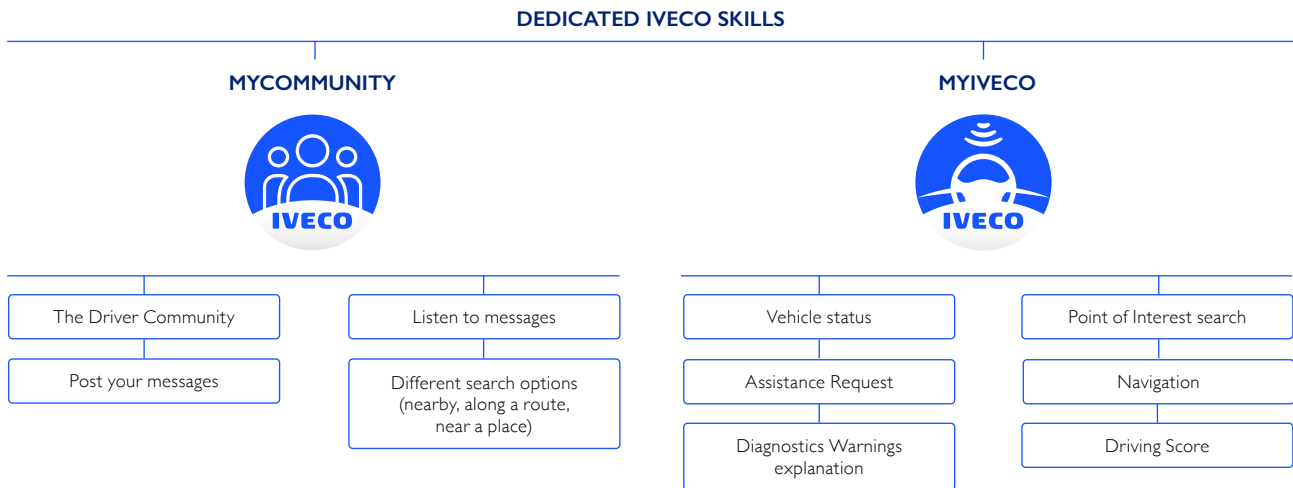

#### THINGS TO TRY

"Alexa, open MYIVECO!"  
"Alexa, ask MYIVECO where  
my vehicle is!"

\* Activate the IVECO DRIVER PAL Skills directly from the IVECO ON Easy Daily App, just follow the steps on the tutorial. It is easy!

IVECO has developed two unique Alexa Skills (MYCOMMUNITY and MYIVECO) in collaboration with Amazon Web Services to help you work more comfortably and safely. Try the innovative IVECO Skills dedicated to the driver's life on board and at home.\*

## MYCOMMUNITY Skill.

### Interact with the driver community

The exclusive MYCOMMUNITY Skill enables you to rely on the support of the driver community. You can exchange information on queues or traffic jams, tips on the best rest stops on your route – and language is no barrier, as messages are translated automatically.

## MYIVECO Skill.

### Enjoy the exclusive connected collaboration of IVECO DRIVER PAL

IVECO DRIVER PAL, coupled with the Connectivity Box, allows you to check battery charge, tyre pressure, fluids levels, as well as setting a destination on the navigation system or booking a service stop at the nearest IVECO workshop. You will enjoy a truly collaborative relationship with your vehicle!

The MYIVECO Skill uses the Connectivity Box for data transmission: remember to activate the Smart Pack in order to communicate vocally with your vehicle.

# Technology at your service.

## **INTUITIVE INTERACTION**

- High-resolution colour display cluster
- Clear and user-friendly interface
- Intuitive navigation of key settings
- Easy access to information

## **REAL-TIME TYRE PRESSURE MONITORING**

- Pressure data display on cluster
- Maintain optimal tyre pressure
- Drive safely and save fuel
- Available on single- and twin-wheel models

## **MYIVECO INFOTAINMENT SYSTEM**

- Clear display with 7" Screen
- DAB radio
- Driving Style Evaluation
- Mobile device mirroring
- Rear camera display

## **MYIVECO INFOTAINMENT WITH TOMTOM®**

- Truck navigation
- Live traffic
- Speed limit warnings
- Speed cameras
- Voice commands

# Welcome to IVECO's world of connected services.

Your Daily's connectivity opens up the world of IVECO ON integrated services and transport solutions designed to make your life easier and your business more profitable.

## **Maximise your Daily's uptime**

Your Daily is connected to IVECO's Control Room, which constantly monitors its performance and through remote telediagnostics can take preventive actions to keep your vehicle on the road.

## **Optimise your fleet's efficiency**

Monitor your Daily in real time from your desk or on the move with IVECO ON and plan its service to maximise efficiency; use the Smart Reports to take good care of your vehicle and save fuel.

## **Easy Daily app**

The new IVECO ON Easy Daily app is designed to make your life as an IVECO Daily driver easier.

You can use it to view your Driving Style Evaluation tool, activate the IVECO Assistance Non-Stop, and access remotely your vehicle's diagnostics information. Simple.

## **Manage your fleet effortlessly**

You can take advantage of the Daily's comprehensive Fleet Management Solution or use your own system, which will interact seamlessly with the vehicle's Web API interface.

## Power your ambition.

With the Daily's wide engine line-up, you choose the performance that fits your mission. You know you will have the power, traction, load carrying capacity and quick response to get the job done efficiently – and you will enjoy low total cost of ownership. All you need to fulfill your biggest ambition.

**FIA TORQUE RATINGS**

● FIA e-VGT 160 ● FIA e-VGT 140 ● FIA e-VGT 120

## Tough for the most demanding jobs.

With the Daily, you get the most demanding jobs done fast and efficiently. From the unique body-on-frame chassis, truck-derived driveline and high-performance front suspension, the Daily is built to carry the heaviest payloads with ease, completing the job with fewer trips. You save time, improve your profitability and respect the environment.

## Best-in-class performance for life.

You know you can rely on the Daily to deliver its best-in-class performance day in day out, year after year. With its advanced transmission and high-efficiency engine, it is engineered to deliver fuel efficiency and low TCO, adding value to your business right up to the end of its long life.

# NEW DAILY AIR X PRO

## Adapts to your needs.

The new Daily AIR-PRO family supports you in loading and unloading operations. With a click on the button you can lift it to reach high loading docks or lower it to make it easier to move your load.

- 1** Standard suspension
- 2** AIR-PRO Pneumatic Suspension
- 3** AIR-PRO Pneumatic Suspension

## Improved handling and stability.

### Maximum control in bends

You negotiate bends and sharp turns easily and safely, even when carrying a full load, as the intelligent suspension reduces the roll angle by up to 30%.

### Supremely comfortable ride

The new Daily AIR-PRO provides a remarkably smooth and quiet ride, with vibrations significantly reduced by 25%.

## DYNAMIC CONTROL

Intelligent and adaptable optimization of handling and comfort with the AIR-PRO Continuous Damping Control strategy, a unique feature in light commercial vehicles.

### LOAD

Optimizes handling, rolling and set-up when fully loaded

### AUTO

Self adapting parameters

### SOFT

Optimizes the driving experience when unloaded, minimizing vibrations

## STATIC CONTROL

The new Pneumatic suspension is easily controlled with the buttons in the upper part of the switch.

The new AIR-PRO pneumatic suspension has a dedicated Air Tank for quick lifting (less than 10"), and fast loading and unloading operations.

### UP

One click to lift the vehicle to its maximum height

### DOWN

Lower the chassis to facilitate loading/unloading

### D-DRIVE

Set the optimal driving settings for a quick restart

### M-MEMORY

Memorize and recall a specific height level

A close-up, black and white photograph of the interior of a vehicle, focusing on the gear shift area. The central element is a modern, ergonomic gear shift lever with a black leather boot. The top of the lever features a circular display with the letter 'P' at the top, and a central cross-shaped arrangement of four arrows pointing up, down, left, and right. To the right of the arrows are the labels 'ECO' and 'PWR'. To the left of the arrows are the letters 'R', 'N', and 'D' stacked vertically. Below the main lever is a rectangular button with a 'P' icon. To the left of the lever is a circular control knob with a gear icon and the text '7pm x100'. Above the lever, on the left, is another control knob with the word 'AUTO' and two horizontal bars. The background shows the textured dashboard and other interior components.

# Daily HI-MATIC

absolute driving  
pleasure.

IVECO's **8-speed automatic gearbox** is designed to provide absolute driving pleasure: with the ergonomic multifunctional shift lever you are **fully focused on the traffic and driving conditions**, so you enjoy greater safety while driving comfortably.

**Enjoy the legendary durability and reliability** of the Daily with a solution that protects the engine and the driveline reducing maintenance requirements.

**Choose from the extra wide engine offering.** The Daily HI-MATIC offers an extensive engine line up, with two displacements of 2.3-litres and 3.0-litres and horsepower ranging from 136 to 207, providing a solution for every mission.

**Sustainable driving pleasure powered by Compressed Natural Gas.**

The HI-MATIC absolute driving pleasure is available across the Daily CNG range, offering all the performance, efficiency and comfort benefits of the Daily HI-MATIC together with the sustainability and low TCO of IVECO's natural gas technology.

**Benefit from the Daily HI-MATIC's exceptional fuel economy** with a choice of **ECO and Power Modes** and the **Start & Stop** feature, standard on the 2.3-litre engine. The transmission's self-adaptive shift strategy ensures the correct gear is engaged smoothly in less than 200 milliseconds. The wide ratio spread means the engine is always running in the optimal gear.

# Daily CNG

## sustainability champion.

Your green transport business has the perfect vehicle in the Daily CNG (Compressed Natural Gas) – whatever your mission.

**Free your business** from the constraints of environmental regulations to make unlimited deliveries and access jobsites in city centres and high-traffic areas.

**Shrink your carbon footprint** with near-zero CO<sub>2</sub> emissions by fueling your Daily CNG with biomethane.

**Power up your business** with the powerful and responsive performance of the 136 hp and 350 Nm torque of the 3.0-litre CNG engine.

# Daily HI-MATIC CNG:

sustainable, absolute driving pleasure.

**Break new ground in comfort and sustainability** with the first Natural Gas-powered vehicle in its class with an 8-speed automatic gearbox.  
**Boost your fuel economy** by combining the HI-MATIC transmission and CNG engine.

DAILY CNG									
Power	Torque	Chassis Cab & Van						Minibus	
		Single wheel		Twin wheel					
136 hp	350 Nm	35S	35C	40C	50C	65C	70C	50C	65C

## **Crew Cab:** your team, your job.

The Daily Crew Cab is the ideal solution for transporting people and cargo safely, comfortably and efficiently. You can choose a three- or a four-seater bench, equipped with 3-point safety belts and functional headrests.

The Daily Crew Cab benefits from additional storage in the headliner at the front of the cab and multiple easily accessible storage compartments in the bench and in the sidewall.

The Daily Crew Cab is available in 3.5-tonne GVW version, single or twin wheel.

## **Daily 7 Ton:** a match for every application.

If you want more – more payload, more fuel savings, more comfort, more safety, more driveability – the Daily 7 Ton is the vehicle you need. With a Gross Vehicle Weight of up to 7.2 tonnes, it is the strongest vehicle that carries the biggest payload in its category: up to 4.9 tonnes. The 3.0-litre heavy-duty engine and exclusive HI-MATIC 8-speed automatic gearbox deliver a powerful performance and significant fuel savings. The truck-like solid steel load-bearing chassis, long wheelbase up to 5100 mm and body length up to 6750 mm, translate into extreme versatility in tailoring it to your needs. What's more, all this comes with the best driving experience, comfort and safety. This is a unique vehicle that will deliver high returns on your investment year after year.

## Daily 4x4: all-terrain delivery.

You can rely on the Daily 4x4 to take you to your destination, however hard to reach, comfortably and safely – no delivery is too difficult, no jobsite is too remote.

**Whatever your mission, you're set** with the on- and off-road versions with GVW up to 7.0 t.

**Reach the most remote locations safely** with a host of safety features, including the ABS and ESP specifically developed for the Daily 4x4.

**Rely on a strong grip** with the three locking differentials, which ensure perfect traction in every situation.

**Enjoy absolute driving pleasure** with the HI-MATIC transmission and effortlessly climb steep slopes in comfort by engaging the low speed ratio.

# Option packs.

## Configure your Daily

Create the exact model you need for your business by picking the pack of options that meet your specific requirements.

You can choose from the well-appointed BUSINESS pack, the EVOLUTION pack if you are looking for more comfort or the top-of-the-range CONNECT pack with all the connectivity features.

Customise your Daily with the WINTER pack if you work in a cold climate zone, or choose from the DELIVERY URBAN, DELIVERY REGIONAL and CONSTRUCTION pack that best matches your job.

# Ready-to-use factory built bodies.

IVECO offers a complete range of ready-to-use vehicles with equipment included - a vehicle you can count on to support your every day job, whether in construction or goods delivery, with the certainty of quality in every mission so that you can focus entirely on your business.

## **Ready-to-go solution**

An integrated and versatile offer that enables you to find a road-ready solution (vehicle + body) at your dealership.

## **Extended value**

The body design, engineering and production processes are in line with IVECO's high quality and durability standards. The vehicle's robustness and safety maximize the value transferred to you.

## **Time-to-market advantage**

The production and logistics flows are optimised to reduce time-to-market and achieve the best delivery time for a bodied vehicle.

## **Complete Assistance**

IVECO's widespread service network across Europe offers complete assistance on the equipment mounted on all IVECO Daily vehicles.

# Options. Tailor your daily to fit your job.

## **DAB RADIO**

Enjoy all the functionalities of the Digital Broadcasting Radio with high speed dual tuner and voice recognition. Connect your smartphone with Bluetooth® so you can drive safely while making hands-free calls.

## **MYIVECO INFOTAINMENT**

Bring your digital life on board with Apple CarPlay and Android Auto™, and enjoy your apps on the user-friendly infotainment system with 7" Screen, DAB radio, navigation system and much more.

## **CONNECTIVITY BOX**

Keep your Daily on the road with remote diagnostics, proactive maintenance and optimal service planning. Access a world of new services such as personalised maintenance plans and vehicle data management through the IVECO ON web portal & App.

## **OPEN COMPARTMENT WITH INDUCTIVE CHARGER**

Ensure your mobile device always has a full battery: place it on the useful inductive charger next to your paperwork in the storage compartment integrated in the dashboard.

## **PARKING SENSORS**

Acoustic and visual support (available for TFT clusters) that facilitates parking and reversing by indicating the presence of obstacles, even when the vehicle mounts a trailer hitch.

## **REAR CAMERA**

Rear camera integrated in the underrun bar with dynamic lines that provide a clear view of the vehicle's trajectory to improve visibility and safety when parking and manoeuvring. Screen integrated in the MY IVECO infotainment system.

## **ELECTRIC PARKING BRAKE**

The new Electric Parking Brake automatically engages when parked and disengages when you are ready to drive away. With no hand brake lever, you have more space to easily move across the cab.

## **AIR CONDITIONING WITH MANUAL OR AUTOMATIC CONTROL**

Maintain a pleasant temperature in the cab with the Daily's air conditioning system. Choose from the efficient manual control or the automatic climate control that optimises the use of the compressor, reducing energy consumption.

## **WEBASTO INDEPENDENT HEATER**

Cold starts are a thing of the past with the Webasto independent heater: set the timer to preheat the engine and the cab, and step into your pleasantly warm Daily VAN when you are ready to go.

## **LEATHER STEERING WHEEL**

Enjoy the luxurious feel of the leather steering wheel on your long days at work with all the controls at your fingertips. No distractions, no effort.

## **PREMIUM HEADREST**

Drive in safety and comfort with the new premium textile foam headrest.

## **PASSENGER BENCH WITH EXTRACTABLE TABLE**

Use your laptop and do your paperwork on the practical extractable table.

#### **AEBS AND CITY BRAKE PRO**

The Advanced Emergency Braking System detects the potential collision ahead and brakes autonomously to prevent or mitigate an impact. In busy city traffic, the City Brake PRO helps you avoid low-speed collisions.

#### **ADAPTIVE CRUISE CONTROL AND QUEUE ASSIST**

The ACC system maintains the cruising speed and keeps a constant distance from the vehicle in front. In city traffic, Queue Assist eliminates the stress of continuous stop and start.

#### **PROACTIVE LANE KEEPING ASSIST**

The Proactive Lane Keeping Assist helps the driver to keep the vehicle within the line by applying a stroke on the steering when the vehicle involuntarily drifts out. The distance from the lane and the stroke intensity are settable in the menu.

#### **IVECO DRIVER PAL**

IVECO DRIVER PAL is the on-board vocal and digital companion designed to make the driver's life safer and more productive by interacting with the vehicle with their voice via Amazon Alexa.

#### **FULL LED HEADLIGHTS**

The sharper beam of the LED lights carries further, improving your visibility and obstacle perception by 15%. You will also save on maintenance as the LED lights have extremely long life.

#### **TYRE PRESSURE MONITORING SYSTEM**

The TPMS monitors the pressure of each tyre in real time so they are always at optimal level, improving your safety and fuel efficiency. Available on both single and twin-wheel models, a first in the industry.

#### **TELMA® ELECTROMAGNETIC RETARDER**

The Telma® LVR5600 electromagnetic retarder delivers a braking torque of 350 Nm, with full compatibility with the ESP system. Available also on the Daily HI-MATIC family, it provides up to 80% of vehicle braking needs.

#### **ALLOY WHEEL**

Alloy wheels, the perfect combination of function and style, are so light that they increase the useful load by 10 kg. Only available for single wheel versions.

#### **ECOMODE**

Improves vehicle safety in combination with the ADAS systems and your operation's productivity by reducing fuel consumption and CO<sub>2</sub> emissions by 10%.

#### **EXTRA LONG REAR VIEW MIRRORS**

The extra long rear view mirrors guarantee maximum visibility for long vehicles with big bodies fitted.

#### **REINFORCED REAR SUSPENSION**

The wide choice of reinforced rear suspensions, which includes parabolic, parabolic reinforced and semi-elliptic springs, enhances the vehicle's strength in the most demanding missions.

#### **POWER TAKE OFF**

The new 6-speed manual gearbox is available with a PTO, which is engaged with a solenoid coupling that improves efficacy and durability. The Daily 4x4 features a PTO on the transfer box and offers 4 types of linkages for a full range of applications.

# Line up.

## Choose the right Daily to satisfy your business needs

The Daily offers the widest model range in the industry, with as many as 8000 factory versions to choose from. They combine the different wheelbases and power ratings, to match a broad spectrum of missions. The Daily was born to serve the transport professional and has followed its sound business instinct throughout the years, anticipating the evolution of the industry and expanding the range to meet the increasingly wide variety of requirements.

**1 MAXIMUM BODY LENGTHS**  
from 2510 mm to 6190 mm

**2 WHEELBASE**  
from 3000 mm to 5100 mm

**3 GROSS VEHICLE WEIGHT**  
from 3.5 to 7.2 tonnes

Wheelbase (mm)	Maximum body lengths (mm)				Gross vehicle weight (t.)			
	Single wheel		Twin wheel		Chassis cab		Crew cab	
								
	MIN.	MAX.	MIN.	MAX.	MIN.	MAX.	MIN.	MAX.
3000	2510	3000	2830	3316	3.5	5.2		
3450	3395	3886	3395	3886	3.5	7	3.5	7
3750	4005	4495	4005	4495	3.5	7.2	3.5	7
4100	4005	4495	4005	4895	3.5	7.2	3.5	7
4350			4830	5340	5.2	7.2	5.2	7
4750			5690	6190	5.2	7.2	6	7
5100			5690	6190	6	7.2	6	7

### Chassis cab single wheel

The chassis CAB single wheel, with body lengths up to 4495 mm, gross vehicle weight up to 3.5 tonnes and payload up to 1600 kg, offers strength and comfort combined with excellent bodybuilding flexibility.

### Chassis cab twin wheel

The chassis CAB twin wheel version is available in body lengths up to 6190 mm, gross vehicle weight up to 7.2 tonnes and payload up to 4900 kg. It stands out for its unrivalled robustness and versatility.

### Crew cab

The robust Crew Cab can accommodate the driver and 6 passengers, travelling in comfort.

# is the new world of integrated services and transport solutions.

## **Smart Pack.**

The Smart Pack offers the benefits of IVECO ON CARE and IVECO ON UPTIME provided with the following services:

### **Smart Report**

The Driving Style Evaluation (DSE) algorithm generates weekly reports on the vehicle's and driver's performance with tips on how you can improve the driving style for fuel and vehicle optimisation.

### **Safe Driving Report**

Together with the Smart Report and thanks to the Driving Style Evaluation, you will now receive this new report that will allow you to measure your safety on board.

### **IVECO ON customer portal and App**

They enable you to monitor your vehicle's fuel consumption and your driver's driving style in a dynamic way, so you can identify how to optimise your fleet's performance. You can also plan and book service appointments efficiently to maximise uptime.

### **Easy Daily App**

It's designed to make your life much easier. Use it to view your Driving Style Evaluation tool, activate the IVECO Assistance Non-Stop, and access remotely your vehicle's diagnostics information.

### **Vehicle monitoring and remote assistance**

The proactive approach enabled by the remote diagnostics tool, teleservices and over-the-air software updates will anticipate possible faults, maximising your vehicle's uptime.

## The services offered under IVECO ON are organized in five clusters:

**FLEET**, for efficient fleet management through fuel consumption and driver monitoring, mission planning, route optimisation and order dispatch.

**UPTIME** to keep the vehicle on the road, avoiding unforeseen breakdowns and providing roadside assistance.

**CARE** includes all you need to focus entirely on your work with no worries while on the road. IVECO ON customer portal and App, Easy Daily App, specific vehicle monitoring and reporting, plus the assistance of your IVECO DRIVER PAL voice companion.

**MAINTENANCE AND REPAIR** for specialised assistance with a choice of tailored service contracts.

**PARTS** with original IVECO parts and accessories to choose from to enrich any IVECO vehicle.

## Premium Pack.

The Premium Pack offers all the services included in the Smart Pack, plus the full benefits of IVECO ON CARE, UPTIME, FLEET and M&R. It guarantees a follow up on the vehicle information received by putting you in contact with IVECO experts who will advise you on the best way to use it.

### Fleet management

It helps you monitor your vehicles' fuel consumption and your drivers, as well as planning their day-to-day activity, optimising routes and dispatching orders. Increase fleet administration capabilities through insights on driver's workdays and geolocation.

### IVECO web API

The Application Program Interface allows flexible data integration in your own systems and facilitates the management of IVECO-generated data together with that of other brands' vehicles in a single tool.

### PAY per USE

You pay the M&R contract fee when you subscribe. At the end of the contract, you receive a refund for the services you haven't used, based on your actual mission and kilometres covered. You only pay for your real time usage.

# Service solutions.

Save money, improve your performance and simplify your work with the connectivity solution that is the best match to your requirements.

Find out more about the commercial packages you can choose your services from.

## ELEMENTS: Customised Service Packages

With the aim of offering you the best of everything, IVECO has created ELEMENTS: tailor made service packages, designed to keep your vehicle on the road with minimal interruptions for maintenance and repairs.

Choose your Planned Maintenance Contract and Extended Guarantee, by combining the major Elements that make up the offer (Maintenance, Drive line, Extra drive line, Wear) that perfectly suits your business.

### MAINTENANCE

- Maintenance
- Lubrication
- Oil and fluid changes according to the maintenance and repair handbook

	Drive line	Extra drive line
 XTRA XTENDED LIFE	•	•
 XTENDED LIFE	•	

Contact your local Dealer to choose the perfect contract tailored to your business.

 Try the M&R PAY PER USE SERVICE, thanks to the CONNECTIVITY box you will pay only for the real vehicle usage!

## Enhance your Daily experience.

Accessories help you in personalized your workplace «in movement» making you feel at ease in every situation. Customize your Daily enhancing technology, comfort, safety, and efficiency thanks to IVECO full range of accessories fully designed for it.

### **COLLABORATION & TECHNOLOGY ON BOARD**

Integrate your mobile workstation with the most up-to-date technology. The new Wi-Fi Apple and Android CarPlay System is a smarter, safer way to use your phone while you drive. You can get directions, make calls, send and receive messages, and enjoy your favorite music. All on your built-in new 9" display which can be match with reversing cameras to have a complete system for both VAN and CAB. The Smartphone cradle perfectly fits the dashboard and thanks to the Qi technology you can recharge wireless your smartphone

### **ALWAYS SAFETY**

A tailor-made presence detection system developed and tested with engineering allows you to perceive the presence of an obstacle in the blind spot. The system continuously detects the presence thanks to radars positioned under the rear bumpers and alerts the driver with a display positioned inside the cabin. New Illuminated side protection bars, made of stainless steel prevent damage to the side of the vehicle and chassis. The doors can still be opened even after lateral impact

### **FREE DRIVING EXPERIENCE & PROFITABILITY**

Choose from a great set of accessories to improve vehicle efficiency. The new wiper blade system with Aquablade technology is a flat blade with integrated washing function that distributes fluid on the windshield all along the blade for a more efficient and precise cleaning. A 100% LED light with the peculiarity of being able to be installed both on the left and right side, simply by turning the lens

### **FITTING YOUR MISSION**

Complete your vehicle dressing up externally and internally choosing from a wide range of luggage racks made of lightweight corrosion-proof aluminum that are easy to install. Add to the rack a tube holder, beacon holder and floor platform for the best versatility. For the complete care of the cabin you can select the most suitable mats and new seat covers for your activity

You can also find the complete accessories line offering in the Accessories Catalogue and in the on-line catalogue using the following link: [www.iveco-accessories.com/en](http://www.iveco-accessories.com/en)

## IVECO | Genuine Parts HIGH PERFORMANCE

**IVECO GENUINE PARTS** will keep your Daily running reliably during its long years at your service - and cost efficiently. The wide offering ranges from new and remanufactured parts to servicing kits and telematics solutions. Iveco operates a network of 6 Parts depots and uses advanced technologies to guarantee 24/7 deliveries across Europe.

**IVECO**  
**0080048326000**  
**Assistance Non-Stop**

**IVECO Assistance Non-Stop** is just a phone call away 24 hours a day, 7 days a week to keep your Daily and your business running.

**IVECO Non-Stop** is the original IVECO smartphone application that you can use to communicate with IVECO if your vehicle breaks down. Just insert your vehicle information (VIN and registration plate) and with a simple push of a button you can send a request for assistance to the IVECO Customer Center. We will take care of your request immediately, activate the nearest workshop and follow up on the vehicle's repair. Through the app you can receive updates on the progress of your vehicle's assistance.
